GRANGE HALL

Wine List

At Cabot Citrus Farms, our wine list draws a natural parallel between golf and wine, both shaped by terroir, patience, and respect for the land.

Just as the character of a course is defined by its soil, climate, and contours, each wine reflects its place of origin and the hands that shape it.

We focus on wines that express balance and authenticity, chosen to complement Florida's culinary landscape fresh seafood, seasonal produce, and globally influenced flavors rooted in the region's climate and culture.

The list is thoughtful yet approachable, inviting guests to experience how land, time, and intention come together, whether on the fairway or in the glass.
